

## Table

Helpmate Table, part of our expanding line of classroom storage, transforms any classroom into a dynamic, creative hub. Its sleek design and multifunctionality elevate the space, while the open shelf offers instant access to all the essentials. Behind closed storage, clutter disappears, leaving only order and inspiration. With its strikingly stylish appearance and effortless glide, this table becomes the heartbeat of any activity, rolling into place exactly where it's needed to spark new ideas and possibilities.
